

## **Heavyocity Announces Release of MicroFX Refiner: A Game-Changing Mix Sweetener**

NEW YORK, January 15, 2025 – Heavyocity Media proudly announces the release of *MicroFX Refiner*, the newest addition to the groundbreaking *MicroFX* line of effects plugins. Designed as a versatile mix sweetener, *MicroFX Refiner* equips musicians, sound designers, and producers with an all-in-one solution for bus processing, delivering pristine, release-ready sound with ease.

*MicroFX Refiner* features a carefully crafted signal chain—including EQ, clipping, compression, saturation, stereo imaging, and limiting—optimized for polishing mixes, gluing stems, and crafting quick masters. Its intuitive controls, coupled with the innovative X|Y pad, allow users to effortlessly balance loudness and tonal character, unlocking the perfect finishing touch for any track.

"The concept for *MicroFX* was born from our passion for creating highly functional and intuitive tools for sound manipulation," shared Ari Winters, Creative Director, Heavyocity. "*MicroFX* isn't just a collection of effects plugins—it's about delivering powerful, refined tools that inspire creativity and make sound design fun and engaging. It's our commitment to providing high-quality, accessible plugins that elevate every musician's and producer's creative potential."

*MicroFX Refiner* invites users to explore numerous creative possibilities, blending fun and functionality with production-ready sound quality. Whether you're crafting polished masters, tightening drum mixes, or enhancing individual buses, *MicroFX Refiner* delivers professional results in an intuitive, compact format.

The *MicroFX* line is a collection of compact yet powerful tools for sound design and mixing. *MicroFX Refiner* joins the series alongside the distortion-driven *MicroFX Obscene*, the versatile *MicroFX Filter*, and the atmospheric *MicroFX Shimmer*.

For a limited time, Heavyocity is offering *MicroFX Refiner* for \$39 (reg. \$49). Owners of the *MicroFX Collection* will receive an additional \$10 off to complete their collection. Offers end January 24, 2025. Heavyocity is also offering a FREE, time-limited demo of each effect in the *MicroFX* line. In demo mode, users will have 15 minutes of audio manipulation time, with offline exports disabled.
