

NATURAL FORCES VOCALISE SCORING GUITARS

GRAVITY PACKS 01-05

FREE PRODUCTION LOOPS 2018

Heavyocity's *Free Production Loops 2018* were built entirely from the collection of *GRAVITY Packs*, featuring critically-acclaimed products *Vocalise* and *Scoring Guitars*.

About GRAVITY PACKS - Powered by the revolutionary *GRAVITY* engine, Heavyocity has created five standalone virtual instruments, featuring a compelling range of unique cinematic content. From environmental sounds and designed fx, to vocal melodies and guitar riffs, these instruments deliver an assortment of production-ready tools, including (but not limited to) pads, loops, ambiences, phrases, pulses, pedals, and stings. Built from the same sonic universe as *GRAVITY*, but containing no crossover content, these instruments (including *Natural Forces*, *Vocalise*, *Scoring Guitars*, *Vocalise 2*, & *Scoring Guitars 2*), each offer a stunning library of sources, deeply enhancing the sonic colors of any composer's sound palette.

GRAVITY Packs run with full functionality on the free Kontakt Player, and do NOT require *GRAVITY*.

GRAVITY PACKS 01 through 05 are currently available at **Heavyocity.com**.

INSTALLATION

1. Click the download link found in your purchase receipt
2. Uncompress the file, and browse the different folders for the desired format (WAV or Apple Loops)
3. Register your code at <http://www.heavyocity.com/my-account>

CONTENT

Free Productions Loops 2018 contains 80 loops, created with *Vocalise*, *Vocalise 2*, *Natural Forces*, *Scoring Guitars*, and *Scoring Guitars 2*, presented in *WAV* and *Apple Loops* formats. These rhythmic and melodic loops cover a wide range of musical sequences, transforming pristine organic and synthetic sources into riveting cinematic motifs and drones.

Each audio file is seamlessly looped and formatted for the various file types in order to achieve maximum flexibility and usability. Each file details the **name of the loop** and the **tempo where it sounds the best**, as well as the **root key it was created in** and the **type of rhythm**.

Specs:

459.6 MB uncompressed
