

# MOSAIC

## FREE PRODUCTION LOOPS 2021

Heavyocity's Free Production Loops were built entirely from the Mosaic product line; Mosaic Keys, Mosaic Voices, Mosaic Bass, Mosaic Tape, and Mosaic Pluck.

***The Mosaic Series*** - Conceived to keep composers creative, each instrument in the Mosaic Series features a unique set of foundational elements, designed for custom layering and combination

## INSTALLATION

1. To Install your product, download the Heavyocity Portal:  
<https://heavyocity.com/heavyocity-portal/>
2. Log in with your account and locate the Free Production Loops 2021 product under the 'Not Installed' tab, then click the 'Install' button to the right
3. Once the installation is complete, if you are a Kontakt full owner, you can load the Kontakt instruments through the 'Files' tab in Kontakt. Otherwise, you can drag the WAV or Apple Loop files into your sampler or DAW of choice.
4. DO NOT ADD THE SERIAL TO NATIVE ACCESS. The serial is used to download from the Heavyocity Portal; it is not to be added to Native Access.

**\*\*\*The Kontakt presets included with the Free Production Loops require that you own Kontakt 6.6.1 Full, and will not function with the Free Kontakt Player. It does not need to be added to Native Access\*\*\***

# CONTENT

*Free Production Loops 2021* contains 72 tonal loops, created with *The Mosaic Series* products, presented in WAV, Apple Loops, and Kontakt 6 Full NKI formats. These rhythmic and arpeggiated loops cover a wide range of melodic timbres and tonalities.

Each audio file is seamlessly looped and formatted for the various file types in order to achieve maximum flexibility and usability. Each file details the **name of the loop**, the **tempo where it sounds the best**, and the **type of loop**.
